

Creative Women's Day

We have pleasure in inviting women who have been affected by the bushfires to come to a
Creative Women's Day
on the 26 May at Mudgegonga.

Women throughout the region want to use their combined skills and knowledge to work directly with you and create something nice for you to take home. Plans are underway to hold a further 3 days over the coming 12 months.

We will be bringing sewing machines, fabric and other material to make quilts, cushions and help you finish any PHDs (Projects Half Done) such as unfinished sewing or knitting. Bruck Textiles have kindly provided some extra items including some curtains for you.
