

Community Input Meetings Condensed – Wednesday 28/04/2010

Present: Sari Bartlett, Les Brown, Lynda Johnson, Jackie Kelly, Nell Showers, Trish Davies, Neil Hodge, Henry Brewer

Handed out summaries of the two Community Input Meetings held on the 18th and 19th April. Discussion took place as to the best way to collate the information/suggestions received over the 2 meetings. It was decided that we would go through each of the groups from both days and highlight the common suggestions. We first needed to look at the desired outcomes noted by those community member's who attended, the themes that were identified where:

- sustainability
- low maintenance
- affordability
- multi functionality

Families Group:

- playground / outside recreation space
- fencing
- multi function room/space
- Cater for all age groups

Access Group

- car park between CFA and Hall
- Western entrance
- Overhead cover to entrances
- Pallet access
- Disabled access
- Kitchen access
- External access to toilets

Kitchen and Catering Group

- Location and size – extension
- Commercial standard
- Cool room
- Lighting
- Exhaust fan
- Power points
- Dishwasher
- Ventilation
- Warming oven
- Drawers

Outdoors

- undercover area / BBQ
- pizza oven
- shade sails
- fire pit
- blinds / awnings
- landscaping
- general signage
- relocate existing shed

Toilets Group

- entrances
- disabled toilet
- shower
- babies change
- ventilation

Building Group

- stage relocation
- decking
- asbestos
- insulation
- windows
- roof
- external cladding
- floor
- Heating / cooling
- Solar HWS
- Solar Electricity

Utilities Group

- external lighting
- power board upgrade
- termite check
- ergonomic tap ware
- eco system septic tank
- ride on mower
- water tank
- pump
- generator

Danger

- remove fire place

2007 Strategic Plan

- tank/pump
- undercover area
- landscaping
- heating/cooling
- external lighting
- kitchen cupboards
- polish floor
- beautify rear of hall

General Discussion by Committee:

- meeting schedule, when and how often to meet
- Lynda to email plan of hall as is, so committee members can consider plans keeping in mind items that have come out of tonight's meeting, and to have a go at designing a plan as they see the hall to look like
- Should we invite Drew to discuss cost issues etc, - decided probably not necessary at this time
- Henry will get rough price on asbestos removal
- Neil and Trish to get rough prices on supply of new windows
- Les to talk to Ernie McDonald and ask him if he could attend our next meeting to give rough ideas on costs and practicalities of ideas

Next meeting to be held on Thursday 6th of May at 6.30pm
