Proposals/Costings, Kitchen Plan:

Kitchen Plan:

Geoff Mitchell (Terry Cartwright Kitchens) was invited to back to provide us with more information and ideas. He measured up the kitchen and will provide us with a revised plan and cost. This will be available for our next meeting on the 10th June. We discussed different types of finishes, bench sizes and general layout of the kitchen. We will discuss this in more detail at our next meeting.

Other Conceptual Plans:

We continued our discussions on plans and layouts. The process of getting it right is our main objective, and to that end we are considering all options, and not dismissing any until we have worked through the plan systematically.

Next meeting: Thursday 10th at 7pm at the hall
